Dear Supervisors:

**DEPARTMENT OF PUBLIC WORKS: LIGHTING DISTRICT ANNEXATION AND

UNINCORPORATED ZONE AND NEGOTIATED EXCHANGE OF

(SUPERVISORIAL DISTRICTS 1, 4, AND 5)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt Resolution of Intention to Annex Subdivision Territories to County Lighting Maintenance Districts 1687 and County Lighting District LLA-1, Unincorporated Zone, and Order the Levying of Assessments within the Annexed Territories, whose areas and boundaries are identified on Appendix A and diagrams, for Fiscal Year 2008-09.
2. Set a date for a public hearing regarding the proposed annexation of subdivisions and levying of annual assessments based on the Fiscal Year 2007-08 Annual Engineer's Report, which establishes assessments based on land-use type for all zones within County Lighting District LLA-1 for street lighting purposes, with an annual base assessment rate for a single-family home of \$5 for the Unincorporated Zone.
3. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of _____, pursuant to Section 53753 of the Government Code. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the annexation and assessments are for the purpose of meeting the operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of street lights, necessary to maintain service within the proposed annexation areas, and exempt from the requirements under the California Environmental Quality Act.
2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.
3. Determine whether a majority protest against the proposed annexation or assessment exists.
4. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in those subdivision territories where the proposed annexation and levying of assessments have been rejected, as a result of a majority protest and refer the matter back to the Department of Public Works.
5. If there is no majority protest against the proposed annexation or assessment, adopt the Resolution Ordering Annexation of Subdivision Territories to County Lighting Maintenance Districts 1687 and County Lighting District LLA-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2008-09, either as proposed or as modified by your Board. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2008-09.
6. Adopt the Joint Resolutions between your Board and other taxing agencies Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from the annexation of subdivision territories to County Lighting Maintenance District 1687, as approved by nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to approve the annexation of subdivisions listed in Appendix A into County Lighting Maintenance District (CLMD) 1687 and County Lighting District LLA-1 (CLD LLA-1), Unincorporated Zone, for street lighting purposes and to levy assessments on each lot or parcel lying within the proposed

annexation territories based on land-use categories that designate usage units on the basis of benefits received. It is necessary for your Board to approve the attached Joint Resolutions pursuant to Section 99.01 of the Revenue and Taxation Code, in order to proceed with the annexation of territories to CLMD 1687. The respective governing bodies of the affected taxing entities have also adopted the Joint Resolutions.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Fiscal Responsibility (Goal 4) by performing the annexation and levying of assessments for the funding necessary for the installation, operation, and maintenance of new street lighting facilities within the annexed territory. In addition, this action is consistent with Community Services (Goal 6) by improving the quality of life for residents in the community.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2007-08 budget for CLMD 1687 to cover the annual energy and maintenance costs of the street lights should operational charges be incurred prior to the end of Fiscal Year 2007-08.

In subsequent years, the ongoing operation and maintenance costs of the street lights within the annexed territories will be funded by a portion of the CLMD 1687's share of growth of the 1 percent ad valorem property taxes, supplemented by assessments annually approved by your Board. The annexation will result in a minimal property tax growth transfer from the affected taxing entities including the County General Fund, County Library, County Road Maintenance Districts 1, 4, and 5, Consolidated Fire Protection District, and the Los Angeles County Flood Control District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The California Streets and Highways Code (Streets and Highways Code) Sections 5821.3 and 22608.2 provide that a territory owned by a subdivider subject to said ordinance may be annexed to a lighting district, without notice and hearing, or filing of an Engineer's Report. The posting and publishing requirements and filing of an Engineer's Report for these subdivision projects are, therefore, not required.

Under Government Code Section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by the Board, including the distribution, receipt, and tabulation of ballots at a public hearing. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The attached Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding an annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

The Landscaping and Lighting Act of 1972 (Section 22573 of the Streets and Highways Code) provides for the assessment of street lighting costs against the benefited properties within CLD LLA-1, Unincorporated Zone by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel. A method of distributing the street lighting costs based on land-use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. The same distribution method was used to compute the base assessment rates shown in the Fiscal Year 2007-08 Annual Engineer's Report on file with the Department of Public Works.

The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of the County-administered street lighting districts and will result in property owner(s) and developer(s) remaining responsible for the future operation and maintenance of the street lights and/or result in street lights being turned off and poles removed.

Section 99.01 (a)(4) of the California Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues, approved by nonexempt taxing agencies, are attached for your consideration.

The boundaries of the proposed annexations have been reviewed and approved by the Department of Public Works (Public Works) and the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code. Copies of diagrams showing the boundaries of each proposed annexation territory are included with the Resolution of Intention.

Following your Board's approval of the attached resolutions for the annexation, levying of assessments, and exchange of property tax revenues, the Department of Public Works will file the statement of boundary changes with the State Board of Equalization as required by Section 54900 et seq. of the California Government Code.

The attached resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

These projects are categorically exempt from the provisions of the California Environmental Quality Act (CEQA) in that they meet the criteria set forth in Section 15301 of the CEQA Guidelines and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territories to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and the signed resolutions to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne), and one to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

The base assessment rates for a single-family residence, along with proportional increases for other land uses, are shown in the Fiscal Year 2007-08 Annual Engineer's Report for each zone within County Lighting District LLA-1.
